

**Sixth Grade Chorus Parents,**

Dickerson Chorus has been invited to be one of only TWO performing groups at the annual *Holiday Lights Celebration* at East Cobb Park. This is quite an honor, and we are excited for the opportunity to perform in our community. In addition to holiday music, there will be a few local government speakers, refreshments, and Santa will arrive on his sleigh to light the tree and welcome this holiday season! For more information, please visit: <https://www.eastcobbpark.org/event/holiday-lights-celebration-2018/>

A select group of sixth graders, chosen via in-class audition, will represent Dickerson Chorus, because we have the (good) problem of soo many sixth grade choristers this year. All students are learning the music that will be performed, so even if your child does not attend, there are other opportunities to perform these songs.

*WHEN: December 2*

*Calltime: approx. 4:30PM*

*Event: 5-7PM ( performance time TBD, students are free to leave after)*

*WHERE: East Cobb Park (3322 Roswell Rd)*

*REHEARSAL: 11/30 @ 8 AM (if you do not attend, you cannot perform!)*

By returning the bottom half of the paper below, you are giving permission for your child to audition in class for this event, with the understanding that if he/she is chosen, your child is making a commitment to the details listed below.

Please cut along the dotted line and return the bottom portion.
